

FREE COMPUTER CLASSES

Hosted by the Washington County Library

Tuesday, March 12, 2019 @ 3:00 p.m.

Tablet and Smart Phone Help

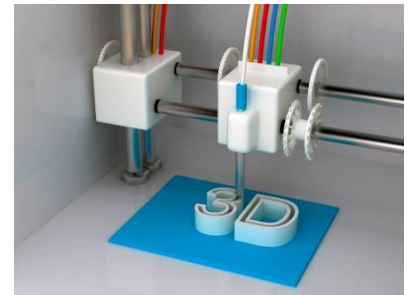

Bring along your tablet and or smart phone to get individual help. The library's knowledgeable staff will be able to assist you with all your questions.

Tuesday, April 9, 2019 @ 3:00 p.m.

3D Printing

Learn the basics of how to work with 3D printers and see a 3D printer in action. We will do a variety of examples of how 3D printing is being used in prototyping, medicine, education and more.

Tuesday, May 14, 2019

Tablet and Smart Phone Help

Bring along your tablet and or smart phone to get individual help. The library's knowledgeable staff will be able to assist you with all your questions.
