

Kids Club Winter Newsletter

Kids Club Updates:

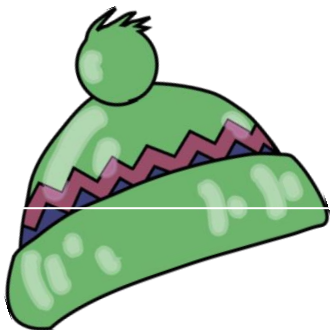

Kids Club Students have had the chance to do many Art, STEM, Life Skills, Culture and Health & Fitness activities so far this year!

The students have been doing some amazing things at kids club and have loved our kids club "Caught Ya!" tickets.

We are looking forward to the remainder of the school year and our hearts are incredibly full from getting to work with our Cottage Grove Families each and every day!

This was one of our favorite daily questions! The kids all bring such amazing things to Kids Club

Reminders for after break:

Please remember to keep labeling all winter clothing items.

Please do your best to keep students from bringing outside toys to kids club (we don't want their precious items getting lost or accidentally mixed up with someone else's stuff).

Please let us know if you have ANY questions at all and we can get you in touch with the right person to get them answered.

Please contact us if your child is ever not going to be attending kids club at
